Testimonials

““ Superb website which delivers for our students when we really need it to. We have seen a dramatic increase in results. (...) A game changer that I cannot recommend highly enough.””

PL, teacher of PE

““ Students learn at their own pace, come asking questions and we have more time in class to alleviate any misconceptions. Time is also spent on answering exam questions and as a result, the quality of writing has greatly improved.””

Emily, Head of PE

““ We have seen a direct correlation at KS4 between engagement with the site and success in the theory exam.””

Russell, Head of PE

““ The EverLearner has transformed the way that my students learn, revise and recall information.””

Lorely, Head of PE

FAQs

• How easy is it to get started?

As a team of [teachers](#), we understand how important it is to get students learning in as few steps as possible. Setting up an account takes just a few minutes and the TEL team is always on hand to support you at every stage via phone, email or live chat.

• Do you provide help to get started?

On registering for a free trial, you will be assigned an account manager who will

support you and your learners at every stage of the process, whether that be in creating users, assigning courses or resetting passwords.

All teachers are also encouraged to attend a [personalised demo](#) with The EverLearner's Creator and [PE teacher, James Simms](#). We find this to be a vital piece of the process, ensuring that both teachers and learners can make the most out of their subscription.

- **How can the TEL team help me?**

We are the only educational platform staffed entirely by experienced teachers. We believe that this makes our services truly unique.

We pride ourselves on providing bespoke support for all of our teachers, whether this be in the shape of a platform-specific query or a question relating to certain ways of delivering different aspects of the PE curriculum. We are always on hand to help. In fact, our many [positive reviews](#) highlight the quality of the support we provide.

We also provide a whole range of services including the TEL PE Academy (online CPD for PE teachers), TEL Conferences, [TEL Revision](#), the PE National Diagnostic Exams, as well as bespoke whole-department [CPD training](#).

- **How can the TEL team help my students?**

By subscribing to The EverLearner, you will be providing your students with access to hundreds of hours of expert PE teaching, thousands of course specific questions and hundreds of exam-style questions.

- **Do we pay per course?**

No. Subscriptions are charged on a per-subject basis meaning that your PE subscription gives you access to all of our [PE courses](#).

- **Do we pay per learner?**

Subscriptions are based on package size (Small, Medium or Large), not per individual learner, allowing for freedom and flexibility in adding or removing users throughout your subscription.

- **What courses do you offer for PE?**

We currently have all the major [GCSE](#) and [A-Level courses](#), [IGCSE](#), [BTEC](#) (L2, including the new Tech Award for 2022 and L3 courses), [Cambridge Nationals](#) (L2, including new Sport Science and Sport Studies courses and L3 courses), [CCEA](#), [VCERT](#), Eire's [Leaving Certificate](#) and our brand new [Key Stage 3](#) courses.

- **Will you be adding any more courses?**

Always! The PE team at The EverLearner is always developing new content.

- **Do you offer any discounts?**

We offer substantial discounts for schools that subscribe as part of a Multi Academy Trust or as a consortium. We also offer discounts on multi-year subscriptions, as well as multi-subject deals. Email Elle to find more: elle@theeverlearner.com
